

Yizkor Book of Remembrance

*We remember them now;
They live in our hearts;
They are an abiding blessing.*

*2021
5782*

*Birth is a beginning
And death, a destination
And life is a journey
From childhood to maturity
And youth to age
From innocence to awareness
And ignorance to knowing
From foolishness to discretion
And then, perhaps to wisdom
From weakness to strength
Or strength to weakness
And back, we pray, to health again
From offense to forgiveness
From loneliness to love
From joy to gratitude
From pain to compassion
And grief to understanding
From fear to faith
From defeat to defeat to defeat
Until, looking backward or ahead
We see that victory lies
Not as some high place along the way
But in having made the journey, stage by stage
A sacred pilgrimage
Birth is a beginning
And death, a destination
And life is a journey
A sacred pilgrimage
To life everlasting*
